

From “Generation to Generation”
The Passing Of Our Salt Mines
Thank you for your loyal and continuing support of our business “Chef Milton’s Gourmet Salts”. Our business began 13 years ago as a fun hobby doing Farmers Markets in the DFW Metroplex. It has grown into a business we could never have imagined. We are not getting any younger. It is time to pass the business to my daughter, Amy. We are very happy Amy will take on the company with the same passion we have had for years to come!

With all of our wishes,
Milton & Wendy Aschner
